

Texture Drawing Challenge

For Middle and High School Students

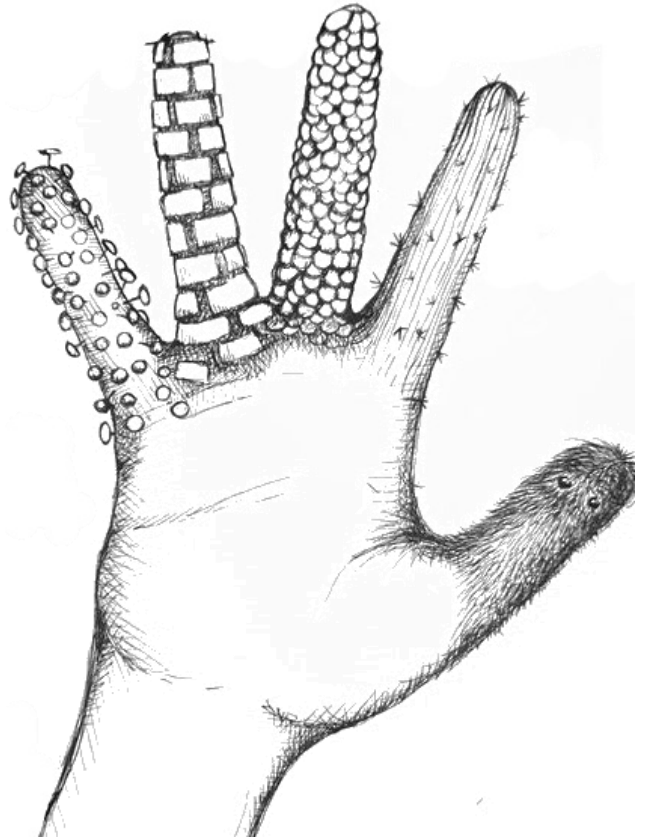

Presented by the Eastern Iowa Arts Academy

You'll only need a piece of paper and a pencil for this week's challenge!

Step 1: Lightly trace your hand on your piece of paper.

Step 2: Choose at least five different textures you want to practice. Some examples are wood, fur, bricks or water.

Step 3: Draw a different texture on each finger. If you chose more than five textures, continue down the palm of the hand and even onto the wrist.

The Eastern Iowa Arts Academy provides free and low cost after school arts programming at various locations throughout the CRCSD and at our Music and Arts Studios. Find us online or give us a call for more information.
